Upon further investigation, I see that the Discover LA website, one that is being paired with Mayor Garcetti's adventures at the Rose Bowl parade, is listing the wrong address for the Hollywood sign.

There is no address for the sign, per www.Hollywoodsign.org. However, if you want to go to a proper, sanctioned viewpoint, it will be Hollywood & Highland, OR the Griffith Park Observatory.

This website is directing countless cars to Lake Hollywood park, which has been described as a "disaster" by many (both civilians as well as uniforms).

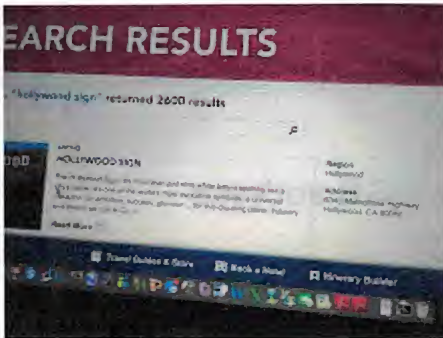

This website must be updated IMMEDIATELY.

Thank you,

Heather

this field I must say they are doing a subpar job. Thank you, Heather for notifying everyone. The city needs to have an entity monitoring and controlling all online activity based upon set goals, objectives and a well thought out, vetted strategic plan.
